Dear Charles Gonzales,

This is your NABCEP Photovoltaic Associate Exam Score Report.

Congratulations, you are now a NABCEP Photovoltaic Associate!

Achieving a passing score on this exam indicates that you have demonstrated a basic knowledge of the fundamental principles of the application, design, installation and operation of Photovoltaic systems. You are now entitled to use the appropriate NABCEP Associate seal and wordmark in accordance with the NABCEP Associate Mark Use Policy. Logo files and the Mark Use Policy may be found at www.nabcep.org/associate. Your credential status may be verified using the NABCEP Associate Directory on www.nabcep.org.

NABCEP Associate credentials are awarded in three year terms. To maintain your credential, you must complete 12 hours of Continuing Education, submit an online application, and pay a renewal fee prior to your expiration date. Please review the NABCEP Associate Handbook for details on how to document your professional development and keep your status current in my.NABCEP.org.

Many NABCEP Associates choose to pursue professional certification during this time. For more information on how to become a NABCEP Certified PV Installation Professional, Solar Heating Installer, or PV Technical Sales Professional, please visit our website: www.nabcep.org.

Congratulations. We are pleased to recognize you as a NABCEP Photovoltaic Associate!
Please make sure to keep your contact information current at my.NABCEP.org.

If you have any questions or need assistance, please feel free to contact us at 800-654-0021, or info@nabcep.org.
